TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

**To the Inhabitants of the Town of Greenfield in the
County of Hillsborough, in said State,
qualified to vote in Town Affairs:**

You are hereby notified to meet at Town Hall in said Greenfield on Tuesday, the 11th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Art. 3. To choose one or more and not exceeding three highway agents for the ensuing year.

Art. 4. To hear reports of Selectmen, Road Agents, Treasurer, Overseer of the Poor, Library Trustees and other Town Officers and take any action relative thereto.

Art. 5. To see what sum of money the Town will vote to raise and appropriate for the support of the Public Library or take any action relative thereto.

Art. 6. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges or take any action relative thereto.

Art. 7. To see what sum of money the Town will vote to raise and appropriate for Memorial Day, or take any action relative thereto.

Art. 8. To see if the Town will vote to authorize the Selectmen to hire a sum of money to pay Town debts, or take any action relative thereto.

Art. 9. To see if the Town will vote to accept State Aid for construction of Class II road known as Forest Road, raise and appropriate or set aside for said purpose the sum of \$754.50 against the State sum of \$1,508.00, or for Class V road calling for \$466.15 against the State sum of \$1,864.61 or take any action relative thereto.

Art. 10. To see if the Town will vote to appropriate the sum of \$50. for the Monadnock Region Association, or take any action relative thereto.

Art. 11. To see what sum of money the town will vote to raise and appropriate for the celebration of the town's 150th

anniversary, said sum to be added to the amount already raised, or take any action relative thereto.

Art. 12. To see if the Town will vote to raise and appropriate money for the erection of a suitable building for the housing of the Town tractors and other road equipment with the exception of the road scraper which is to remain in its present quarters. To make minor repairs on present building, or take any action relative thereto.

Art. 13. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Municipal accounting division and to make an appropriation to cover the expense of such audit or take any action relative thereto.

Art. 14. To see if the town will vote to raise and appropriate money to issue a new inventory of Property Valuation of Town or take any action relative thereto.

Art. 15. To see if the Town will vote to accept the sum of \$200.00 for the Perpetual Care of the M. D. & C. M. Magoon lots in Greenvale Cemetery or take any action relative thereto.

Art. 16. To see if the Town will vote to accept the sum of \$100.00 for the Perpetual Care of the C. E. Blanchard lot in Greenvale Cemetery or take any action relative thereto.

Art. 17. To see if the Town will vote to maintain an additional street light on Depot St. (nearly opposite freight depot, but on upper road) or take any action relative thereto.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL BOARD AND CITIZENS OF GREENFIELD:

I respectfully submit my seventh annual report as Superintendent of Schools.

SUPERVISION

In the last several annual reports I have attempted to set forth what we are doing in the primary grades with the important subject of reading. This emphasis is constantly being held, and is extended to the succeeding grades year by year. The pupils who were in Grade One when we began this special drive are now in Grade Four, except those who have had to proceed more slowly in order to receive the greatest benefit from the reading instruction.

As one observes the instruction in these grades, one sees many evidences of the superiority of modern methods in the teaching of reading. The interest of the children is more keen and real; their confidence in their own ability is greater; the progress of the timid child and of those who are by nature slower than the average is more sure and steady, because they are not forced to try to keep the pace of the faster workers.

More concrete evidences of gains in reading ability in the various grades should appear as time passes, for results in the standardized tests used should reveal what the gains may be in reading and in the other subjects. Already there is some evidence of the improvement of the pupils in the upper grades, who did not have this reading program while in the primary grades but have had the benefit of the increased attention teachers have given to reading in the middle and upper grades. The average gains of the pupils in these grades, as indicated by the scores they made in the reading tests of the Stanford Achievement Tests in successive years, is shown in the following table.

This study includes all of the pupils in the eight towns of this Supervisory Union.

Average individual gains in Reading Scores	Grade V	Grade VI	Grade VII	Grade VIII
From Oct. 1937 to Oct. 1938	.85	1.06	.60	.51
From Oct. 1938 to Oct. 1939	1.00	1.11	.97	.99
From Oct. 1939 to Oct. 1940	1.09	1.37	1.31	1.17

In this table, a normal growth or gain for a full year is represented by 1.00. So that the pupils of Grade V in October,

1938, had gained .85 of a normal year's growth since taking the test in October, 1937, when they were in Grade IV; but in October, 1939, when they were in Grade VI, they had gained 1.11 in a year; when they had reached Grade VII (in October, 1940) they had made a gain of 1.31 in that year.

A similar study of the pupils in Grade IV in October, 1940, shows that they gained 1.25 from the time they were tested in Grade III in October, 1939. This measure may not be so reliable as those set forth in the table, however, due to the fact that we use the Metropolitan Test in Grade III and the Stanford in Grade IV, and the scores are not quite comparable.

BUDGET

The School Board's estimate for 1941-42 shows a material reduction in the amount of money required, reflecting the diminishing enrollment of pupils in the school. In the group of items headed "Support of Schools," which corresponds to the items subject to state aid, the transportation of pupils is estimated at the present cost of \$1139, a reduction of \$136 from last year's estimate. Against this is an increase of \$50 in "Other Expenses of Instruction," to cover the additional cost of providing instruction as required by law for a crippled child unable to attend school. (This is in fact a statutory requirement but is classified under the heading "Other Expenses of Instruction.")

Under "Other Statutory Requirements," the amount estimated for high school tuition is \$300 less than last year, but this is offset in part by the \$175 that will be required to pay for insurance.

The total amount required to meet the School Board's budget is \$261 less than last year.

The estimated income of the District includes the usual estimate of \$100 from the Dog Tax, and \$53.83 state aid. The cost of maintaining the school the current year is materially lower than was estimated a year ago, so that we anticipate having a cash balance of \$600 or more at the end of this fiscal year, June 30.

The assessment required to balance the School Board's budget is \$5,136.17, approximately \$1,000 less than was raised for the budget and painting the schoolhouse last March.
